21 Pounds in 21 Days Diet Review

People, don't forget that this is not a diet but a DETOX program. You can't go on on this over 21 days. So don't think of it as a diet, or use it as a diet. Use it as a regular seasonal detox for 3, 7 or 21 days or before you start a new diet that will help you lose weight. This will give you a nice start for that kind of stuff and will help you keep your body "cleaner" year around.
