### **21st Century Skills Rethinking how Students Learn**

Foreword by Ken Kay, president of the Partnership for 21st Century Skills . This anthology introduces the Framework for 21st Century Learning from the Partnership for 21st Century Skills as a way to reenvision learning and prepare students for a rapidly evolving global and technological world. This dynamic new framework promotes innovation through critical thinking, problem solving, collaboration, and technology integration, while building on mastery of core content and background knowledge.

### **21st Century Skills Rethinking How Students Learn by**

I read six chapters or so in this book. It opened my eyes - to not only more details about the 21st century skills, but to how far behind most of the schools I visit are in reaching implementation of the 21st century skills. Just to note - I'm on board with 21st century learning - think it's fabulous, totally what we need in our schools.
