The Boy Who Was Raised As A Dog It is amazing, ridiculous, and sometimes scary how the brain deals with trauma. It is also ludicrous to believe that your environment and how you are treated are not always believed to strongly affect children. The first story in this book is a very moving one. I thought it interesting and appropriate that that was his first child patient.

He raised Justin as he raised his other animals giving him food, shelter, discipline and episodic direct compassion. Arthur wasn't intentionally cruel: he'd take both Justin and the dogs out of their cages daily for regular play and affection. But he didn't understand that Justin acted like an animal because he'd been treated as one and so when the boy "didn't obey," back into the cage he went. Most of the time, Justin was simply neglected.

Justin was a six-year old boy who had spent five years, from age one to age six, in a kennel. His caretaker was  
not intentionally cruel, but was cognitively challenged, and had no idea how to raise a child. He felt it was best  
to care for him as he did his dogs. Justin and the dogs were fed, given
