The Good Life by Hugh Mackay Goodreads Share book

It is always good to think about how we behave and how we could live a better life. As with all of these books about finding a meaning to our life however, much of it is common sense and maybe for that reason I find them a little obvious.

What Is a Good Life by Ronald Dworkin The New York

We cannot explain the importance of a good life except by noticing how creating a good life contributes to living well. We are self-conscious animals who have drives, instincts, tastes, and preferences. There is no mystery why we should want to satisfy those drives and serve those tastes. But it can seem mysterious why we should want a life
