I loved that while A Kiss In Time (obviously) had similarities to Sleeping Beauty, it was also very different! There were many times I laughed out loud while listening to this book. Maybe it was the way the narrators (who were great, by the way) read the story, but I loved how hilarious A Kiss In Time was at times.

### **A Kiss in Time Teenreads**

Flinn keeps the energy flowing throughout the book, never dropping off in a middle lull or an ending disappointment; in fact, she weaves a creative series of tests for Jack to prove his love that highlights the ending chapters with color and spark. Overall, A KISS IN TIME is entertaining, romantic, funny and enchanting.
