Darkness Visible memoir Wikipedia

Darkness Visible also helped raise awareness for depression, which was relatively unknown at the time. First published in December 1989 in Vanity Fair , the book grew out of a lecture that Styron originally delivered at a symposium on affective disorders at the Department of Psychiatry of the Johns Hopkins School of Medicine .

Darkness Visible A Memoir of Madness William Styron

That Styron survived his descent into madness is something of a miracle. That he manages to convey its tortuous progression and his eventual recovery with such candor and precision makes Darkness Visible a rare feat of literature, a book that will arouse a shock of recognition even in those readers who have been spared the

suffering it describes.
