

[A MEMOIR OF THE CRAFT](#)

RELATED BOOK :

On Writing A Memoir of the Craft Amazon de Stephen King

The memoir is terrific stuff, a vivid description of how a writer grew out of a misbehaving kid. You are right there with the young author as he is tormented by poison ivy, gas-passing baby-sitters, uptight schoolmarm and a laundry job nastier than Jack London's. It's a ripping yarn that casts a sharp light on his fiction.

On Writing A Memoir of the Craft by Stephen King

On Writing: A Memoir of the Craft offers an illuminating look at Stephen King's life, highlighting moments that shaped him as an author and revealing lessons he gained from decades of practice and publication. King is unapologetically himself, blending wit and honesty with sophomoric humor and the occasional curse word.
