

[A PATTERN OF ISLANDS](#)

RELATED BOOK :

A Pattern of Islands by Sir Arthur Grimble Goodreads

A charming book which gives an insight into island life on the Gilbert islands. I became interested in the islands from my mother who was born there and spent some time there as a teenager. My grandfather was the captain of a merchant ship in the Pacific. At this time during the 50s the islands were part of the British Empire.

A Pattern of Islands Amazon.co.uk Sir Arthur Grimble

Grimble went to the islands with his new wife who bore him four children. The book ends with the family returning to England on leave for the first time, and the final line of the book tells us that when he returned to the islands he didn't see his family again for another seven years. All told, a delightful read.

A Pattern of Islands Arthur Grimble Google Books

Beyond the hilarious and frightening adventure stories, A Pattern of Islands is also a true testament to the life of these Pacific islanders. Grimble collected stories from the last generation who could remember the full glory of the old pagan ways. This is anthropology with its hair down.
