### **A Rose for Melinda All About Romance**

A Rose for Melinda was a tough book to grade. The story McDaniel tells is not the kind of story I generally like to read, but she tells it well. Some serious issues are presented, but nothing your typical teen couldn't relate to, and the book does a good job telling a story about coming to terms with the unfortunate hands sometimes people are dealt.

### **A Rose for Melinda by Lurlene McDaniel Book Reviews**

A Rose for Melinda follows the same formula as most of Lurlene McDaniel's books. A girl and a boy meet, they become friends, then fall in love and then the girl gets sick, with cancer in this case. Not that I'm saying it isn't a good book. It is and it's very sweet, but it isn't one of my favourites. I'd recommend it to anyone looking for a good read, but warn them that it has a sad ending, as the girl, Melinda, passes away.
