A Shadow of All Night Falling Dread Empire 1 by Glen Cook

Shadow of all night falling is earlier work by Glen Cook and first in Dread Empire cycle. Story is amazing and served in a strange but nice style. There are some plot twists that you actually could see beforehand (or may be it seems so). Characters is the strongest side of Cook's stories for me. A lot of characters are fleshed out very nicely even some minor ones. Story itself feels finished (not like his books from Instrumentalities series). In conclusion nice and captivating dark fantasy.
