Read 52 Books in 52 Weeks Well Educated Mind

A revised edition of Well Educated Mind has been released and Susan has expanded the sections to include books from the twenty first century, added movie versions of the plays, more poets after the Modernists for Poetry as well as a new Science section. I read the revised version and received a much needed refresher in active reading. I heartily recommend the updated and expanded edition.

The Well Educated Mind Goodreads

In the Well-Educated Mind, Mrs. Bauer discusses the importance of learning by reading for study not only entertainment. In the introductory chapters (1-4), she advises scheduling a regular reading time, practicing the mechanics of reading, keeping a reading journal and how to read a book using this method. In the chapters that follow (5-9), Mrs. Bauer covers the different ways to read the genre of literature as well as providing a list of recommended reading.

Which is better a well trained mind or a well educated mind

A well educated mind is far better than a well trained one. This is primarily because an educated mind is capable of reducing the burden of training overall for any skill. The logic and reasoning is better implemented in real life situation. I'm assuming you weren't talking about bookish education, and meant the kind that complements vocation.
