ADD and Relationships How Adult ADHD Affects

Adult ADD and Relationships. Building a lasting, satisfying relationship is challenging for everyone, but especially for the adult with ADHD. Consider the difficulties facing adult ADHD relationships: People without ADHD can experience a bond and connection with their partner at any time, day or night. For the adult with ADD/ADHD, sporadic connections are the norm. This disconnect in the eyes of the non-ADD adult can foment doubt and suspicion in ADHD relationships.

ADHD Relationships Why ADD Marriages End in Divorce

Some partners with ADHD don't believe that ADHD is a factor in their relationship. They say, I don't need treatment! I like myself just the way I am. You're the one who doesn't like me, and has problems with this relationship. My husband was in denial. The good news for us was that, about a month or so after diagnosis, he decided he didn't have much to lose by considering treatment. He discovered it made a world of difference.
