Behold The Spirit, by Alan Watts, is one of the most powerful, potentially life changing books that I have read. I can only reiterate what the other reviews have said. Alan Watts died in 1973. He held degrees, including an M.A. in Theology and a D.D. He was an ordained Episcopal Priest and has been involved with some of the best Universities in the world, including a lectureship at Harvard. Behold the Spirit A Study in the Necessity of Mystical

Alan Watts' Behold the Spirit provides insights into the pitfalls and promises of religion while encouraging a mystical path. This book is great for anyone moving beyond traditional religion and into a deeper, more aware, self-trusting spiritual path. I loved it and still pick it up on a regular basis.
