Oz The Complete Collection by L Frank Baum

I've loved the Oz books since I was a kid, so it was great to have the chance to buy them all in one digital volume and re-read them. It's amazing how elevated the language is compared to today's children's books.

Copyright status of The Wizard of Oz and related works in

This accounts for all of the apocryphal Oz books that sprang forth in the 1980s; once more Oz books entered the public domain, it allowed other authors to utilize those elements in their own works. All of Baum's other works - non-Oz books, plays, and musicals - are also in the public domain, and have been since 1995 at the latest.
