An Altar in the World A Geography of Faith by Barbara

An Altar in the World is, in many ways, an unremarkable book: it is quiet, it is humble, it spouts obvious truths. Barbara Brown Taylor is not the first person to seek after an undivided life, a holistic spirituality, a Christianity which is more concerned with Christ than with religion indeed, her own pages, which draw on sources ranging from Desert Fathers to Mystics to Quakers, testify to that fact: we have long sought wholeness.
