America Alone The End of the World As We Know It by Mark

America Alone is an interesting book about demography, multiculturalism, and the fast-growing Muslim population in nearly every country on the planet. Many parts quite frankly made me uncomfortable, but then I think that was the intention of the book: a no-holds-barred examination of the current state of the world.

America Alone The End of the World As We Know It Amazon

In "America Alone", Mark Steyn uses his trademark wit, clarity of thought and flair for the apocalyptic, Mark Steyn to argue that America is the only hope against Islamic Terrorism. Steyn addresses the singular position in which America finds itself, surrounded by anti-Americanism on all sides. He gives us the brutal facts on these threats and why there is no choice but for America to fight for the cause of freedom - alone.
