Mark Levin Wikipedia

Ameritopia: The Unmaking of America was released in 2012. In Ameritopia, Levin discusses the origins and development of both the modern day conservative and liberal political philosophies, the latter of which he refers to as " statist ", through the works of some of the leading figures in American history.

Mark Levin on Ameritopia We Now Live in a Post

I believe to a great extent we now live in a post-constitutional country, where much of the Constitution is

ignored or evaded, Levin told CNSNews.com. What I want the readers to understand, what I want the public to understand is, this is not new and it's going to destroy us, said Levin.
