Ami Ami Dogs 2 More Seriously Cute Crochet amazon com

I wrote a review for Ami Ami Kittens: Seriously Cute Crochet! that is apropos to the Ami Ami Dogs books, too. Essentially, these books are filled with incredibly adorable kittens and puppies with very clear instructions and charts on how to modify a basic pattern to create different types/breeds. Super fun books. I will probably spend just as much time admiring and smiling at the photos as I do crocheting some new critters.
