An Outline History of English Literature Forgotten Books

A history of English literature, then, must be interested primarily in English literature as a whole. Its chief aim should be to give a clear and systematic account, not of the achievements of successive great writers merely, as such, but of national changes and development.

An Outline History of English Literature English Edition

A history of English literature is a chronological account of the books which have been written in the English language and their authors. Since literature as a whole grows and changes from generation to generation, in tracing this growth, history must show the place which each writer occupies in it, and also his relation with those who went before and those who came after him.
