### **The Anatomy of Peace by The Arbinger Institute blinkist.com**

The Anatomy of Peace (2006) addresses an unpleasant fact: how common it is for people to resort to conflict as a way of resolving differences at home, in the workplace and in the world at large. Learn the reasons behind this mindset and how we can find a better way to move forward. There's no reason to think things have to be the way they are today. With a little understanding, we can all choose the path of peace.

### **Anatomy of Peace Integral Conflict Resolution Notebook**

For the Arbinger Institute, human beings naturally see others as persons. We have natural senses and desires in regard to other people, and it is when we choose to betray these desires by not following them that we start

seeing people as objects and that we "go to war".
