The Anatomy of Peace Wikipedia

The Anatomy of Peace, published by Berrett-Koehler Publishers, reminds us that war and conflicts in life at home, at work, and in the world, are often our own making. In this business fable, we read a moving story of struggling parents and children facing and coping with problems that consume their lives. Amidst this turmoil, they become friends with their once-bitter enemies.

The Anatomy of Peace Resolving the Heart of Conflict by

The Arbinger Institute came out with a book to precede The Anatomy of Peace, called, Leadership and Self-Deception. They both present a paradigm shift in the way we perceive those around us. The Anatomy of Peace has influenced how I interact with others within the walls of my own home more than any other book save the Bible or Book of Mormon.
