And Then There Were None Wikipedia

And Then There Were None is a mystery novel by English writer Agatha Christie, her best selling novel and described by her as the most difficult of her books to write. It was first published in the United Kingdom by the Collins Crime Club on 6 November 1939, as Ten Little Niggers , [3] after the British blackface song , which serves as a major plot point.

And Then There Was One Share book recommendations

I am a huge fan Ms. Hauser's books and this one just adds to that admiration of her work. This was a fast paced, emotional story that allowed the characters to show how fragile and sensitive heroes can be as well. The steam was decent and only added to their connection. I read it in one sitting and couldn't have put it down if I tried. I definitely recommend this for all her fans and anyone who likes story and heart with a little steam done right.
