### **Animal Attraction An Animal Magnetism Novel Book 2**

Animal Attraction is a fun, steamy, emotional read with an engaging cast of characters. I loved both the H/h, the

secondary cast is funny, loving and meddling. AND we get more animals that come close to stealing the spotlight from the H/h, Peanut the parrot, Gertie the St Bernard and Bones the abandoned kitten. ABSOLUTELY adorable!!! I love the way JS includes the animals in this series, I could vividly see each of their personalities.
