Anne of Green Gables Collection 11 Books Goodreads

Anne of Green Gables - (08 June, 2017 - 15 July, 2017) I haven't read this book since I was a kid in high school. So it's been about 20 something odd years. I picked it up because of the new series on Netflix - Anne With an E. This book still held as much charm now as it did when I was a teen. I still loved Marilla, and Matthew, Anne, and Diana and all the crazy stuff Anne was always getting into.
