An Anthropologist on Mars Oliver Sacks M D Author

An Anthropologist on Mars offers portraits of seven such travellers including a surgeon consumed by the compulsive tics of Tourette s Syndrome except when he is operating; an artist who loses all sense of color in a car accident, but finds a new sensibility and creative power in black and white; and an autistic professor who has great difficulty deciphering the simplest social exchange between humans, but has built a career out of her intuitive understanding of animal behavior.
