An Archangel Blade is an Archangel's personal blade. It has similar appearance and characteristics of normal angel blades even though they are far more powerful than a standard angel blade, as they are capable of killing an archangel, thus making it one of the most powerful weapons in the universe.

#### Archangel's Blade Guild Hunter 4 by Nalini Singh

Archangel's Blade is the last book I read for 2011 and I'm happy to end 2011 with a great book. Kudos to Ms Nalini Singh who again delivered a masterpiece with her new installment of the dark, gritty, cruel, lethal and sensual series, Guild Hunter. Yet its beautiful and romantic, make me don't want to stop reading her books. http://ebookslibrary.club/Archangel's-Blade--Guild-Hunter-4--by-Nalini-Singh.pdf
