40 Asian American Book Lists for Kids PragmaticMom

40+ Asian American Book Lists for Kids. One of the most exciting things for me about blogging was discovering Asian American books for kids. This genre was just starting to emerge a few years ago when I started blogging. Growing up, I read extensively but I never found books that were like me an Asian American 2nd and 3rd generation girl living in the suburbs. I m thrilled to find that this is no longer the case.
