Assata ZED Books

Assata Shakur's trial and conviction for the murder of a white state trooper in the spring of 1973 divided America. Her case quickly became emblematic of race relations and police brutality in the USA. While Assata's detractors continue to label her a ruthless killer, her defenders cite her as the victim of a systematic, racist campaign to criminalize and suppress black nationalist organizations.

Assata An Autobiography Assata Shakur Angela Davis

On May 2, 1973, Black Panther Assata Shakur (aka JoAnne Chesimard) lay in a hospital, close to death, handcuffed to her bed, while local, state, and federal police attempted to question her about the shootout on the New Jersey Turnpike that had claimed the life of a white state trooper.

Assata An Autobiography by Assata Shakur

Assata Shakur's conviction in a joke of a trial for a murder she clearly did not commit has not been reversed. She escaped from prison and she lives in Cuba, still a fugitive. The story of how the hell this outrage came about and above all persists is necessary because it outlines so lucidly how the white supremacist capitalist state actively opposes the struggles for liberation and justice and simply peaceful survival of African American people at all costs, whatever politicians say.
