Virgo Zodiac Sign Virgo Horoscope astrology zodiac signs com

A Virgo will prefer a stable relationship than having fun, casual lovers, except if they become one, using their charm and superficial communication to win hearts without ever investing their own. Methodical and intellectually dominant, each Virgo seems to have an equation in their mind that their partner has to follow.

Virgo Virgo Zodiac Sign Dates Traits Astrology com

Virgo is represented by the symbol of the Virgin, although this association should not be taken literally. Rather, Virgos tend to take on some of the qualities of a Virgin, things like modesty and humanity. Some might consider them repressed, although Virgins would argue that it is a noble quality, as opposed to a negative one. Most of all, Virgos enjoy indulging their practical and logical side and poring over their projects to the nth degree.
