Power Awakened The Feral Book 2 English Edition eBook

The book is not just serious, there are some funny and laugh out loud moments (as always in Ms. Hartnady s books). A terrific read. Cannot wait for more of The Feral (and maybe The Fallen). A terrific read.

Awakened House of Night 8 Share book recommendations

I felt this book was a little left to be desired as it took a while to get straight to the point of the plot. I found that it took 26 chapters just to tell us that Zoey s Mother is killed by Neferet as well as Jack. But the book did leave me questioning if Neferet s past was the reason why she turned to darkness instead of light. I did enjoy the different point of views used to tell different sides of the story.

Return Awakened Fate Book 3 English Edition eBook

The last book took place mostly in the ocean, and this one takes place completely on land again. For some reason, I have enjoyed the time on land in these books, better than the under sea times. Maybe because I have such a hard time trying to picture people talking, or doing whatever else under water. I know, it s fantasy and all that. But still.
