Maple Glazed Bacon Doughnuts Recipe King Arthur Flour

I doubled the recipe, and it turned out fine and gave me 22 donuts. I didn't want to deal with having bacon just sitting on top (the topping), so I mixed it into the batter, and it was great. I don't care for the glaze, it just tastes like powdered sugar. They are excellent without the glaze, but the donuts taste like pancakes, so they were great dipped in just syrup.
