Bacon Roses 5 Steps with Pictures Instructables

Pull all of the roses off from the stems. Pull the green backing off from the rose and then separate it into individual parts. Discard the petals and center red piece. Reassemble the remaining green parts as shown. Put the green piece back on the stem, but force it down so that roughly 1" of the stem protrudes.

Best Bacon Bouquet Recipe Delish com

Make the Bacon Roses: Take each strip of bacon and roll it slowly, with the pink, meaty part of the bacon on the top (so it looks more like a rosebud than the translucent fat). Secure the seam of the bacon with a toothpick so it doesn't unravel while cooking. For extra stability, add a second toothpick, forming an X.
