The Berenstain Bears Go to the Doctor First Time Books

The berenstain Bears Go To The Doctor is a great book. I especially like how it has the cubs (brother and sister) going to the doctor for a check-up. They ended up not finding anything wrong with them and getting a shot anyway so they don't get sick. It turns out that papa, whose convices them that he never gets sick, gets sick. This is a really good book and fun to read. I would recommend this book to anyone.
