Day Trading Setups Reveal Ways to Work the Market

These five-day trading setups (entry strategies) have a tendency to emerge at some point on most days. It is plausible to see at least one or two of these setups occur each trading day. This does not necessarily mean all of these patterns will take shape on the same day. By learning to recognize these trading setups, it is possible for a day trader to take actions that could improve their

Day Trading for Beginners 10 Smart Tips Online Trading

Day trading got a bad reputation in the 1990 s when many beginners began to day trade, jumping onto the new online trading platforms without applying tested stock trading strategies. They thought they could "go to work" in their pajamas and make a fortune in stock trades with very little knowledge or effort. This proved not to be the case.
