Betrayed is a story written by Carl Taylor, which is easy to read. It's a very interesting book for everybody without such horror. Although it has got tension and it's not boring. The story is about a boy, Thomas Walker, whose parents are divorced and so he has to go to a new school, Hartlands.

Betrayed House of Night 2 Share book recommendations

This book decided me against reading any more by these authors, even though I have the third book waiting. It is all just too painful and, I know this will sound ridiculous, unbelievable (Zoey had only been marked as a vampire fledgling one month earlier!).

Betrayed is a good book for people who are interested in sharing the good news of Jesus Christ with Jewish people who have yet to come to faith in Him. I have purchased this book several times; the first time for myself. Since then, i have given it to a number of Jewish people while praying for them to know their Saviour.

Betrayed The Arnaud Legacy 2 by Lynn Carthage

After reading the first book in this series, Haunted, I couldn't wait to see what Lynn Carthage did next. Luscious descriptions of Versailles, the ominous threat of ancient evil, and an unusual and swoon-worthy budding romance make Betrayed every bit as satisfying as the first book of the Arnaud Legacy.
