Captured by a giant! The BFG is no ordinary bone-crunching giant. He is far too nice and jumbly. It's lucky for Sophie that he is. Had she been carried off in the middle of the night by the Bloodbottler, the Fleshlumpeater, the Bonecruncher, or any of the other giants-rather than the BFG-she would have soon become breakfast.

Book of the Month. Before seeing the new film adaptation I decided it was time to revisit one of Roald Dahl's classics. The BFG, which is worryingly now exactly as old as I am, was probably my favourite of the Dahl books as a child, as well as paradoxically being the one that scared me most.
