Read the New American Standard Bible Free Online

Seeing the need for a literal, modern translation of the English Bible, the translators sought to produce a contemporary English Bible while maintaining a word-for-word translation style. In cases where word-for-word literalness was determined to be unacceptable for modern readers, changes were made in the direction of more current idioms.

New American Standard Bible Wikipedia

The New American Standard Bible is considered by some sources as the most literally translated of major 20th-century English Bible translations According to the NASB's preface, the translators had a "Fourfold Aim" in this work: These publications shall be true to the original Hebrew, Aramaic, and Greek. They shall be grammatically correct.
