About the NIV Bible Translation New International Version

The New International Version follows in the same tradition as the King James Version, although it is tailor-made for the way English is spoken around the world today. The NIV is the most popular translation today because it remains faithful to the original Scriptures while being easy for people to understand.

New International Version Wikipedia

The New International Version (NIV) is an English translation of the Bible first published in 1978 by Biblica (formerly the International Bible Society). The NIV was published to meet the need for a modern translation done by Bible scholars using the earliest, highest quality manuscripts available. Of equal importance was that the Bible be expressed in broadly understood modern English.
