### **The Big Book of Knitted Monsters Mischievous Lovable Toys**

I love this book. I basically bought a bunch of "Monster" knitting and crochet books because I work full time during the day, am a full time single mother, AND a full time student. I spent a LOT of time working on the computer all night after I've put my daughter down for the night (8 hours minimum on the computer) and I have some pretty serious and debilitating back joint and bone injuries from previous sports injuries to a drunk driver hit and run that left me in the ICU.
