A Short History of Nearly Everything Bryson Band 5

Bill Bryson's 'A short history of nearly everything' is most of the time very entertaining, at times digging deep into scientific matters and frequently also quite humorous. This not so superficial voyage into the realm of geology, paleontology, meteorology, archeology and a lot of other -logy's tries to give answers to many questions which you and I probably also had but never found an answer to in a concise and understandable text.
