SEAL Target Geronimo The Inside Story of the Mission to

The book includes events of bin Laden's former plots, his being denied entry into many Muslim countries once he created his jihadist organization, and other historical devastations which took place on his watch. This book's content adds a bit more drama to bin Laden's previous news stories because they include private covert operations carried out during the past few decades, whereas al-Qaeda spawned terrorists to commit atrocities of deaths and destruction, on land, air and sea.
