### **Biography George Washington Carver for Kids Ducksters**

George Washington Carver was known throughout the south as the "farmer's best friend". His work on crop rotation and innovative products helped many farmers to survive and make a good living. His interest was in science and helping others, not in getting rich. He didn't even patent most of his work because he considered his ideas as gifts from God. He thought they should be free to others.

### **George Washington Carver Biography life childhood**

George Washington Carver was born near Diamond Grove, Missouri (now just called Diamond). The statement that this was then in Kansas Territory is incorrect on two accounts. 1)Diamond Grove was never in Kansas, as the border of Missouri had been fixed before Kansas was developed as a territory in the 1850s. As a matter of

fact, Kansas was once part of Missouri Territory between 1812 and 1821). 2). By 1864, Kansas was a state in the Union (admitted Jan. 29, 1861), not a territory.
