Black Book of the American Left

The Black Book of the American Left is first of all a narrative map of the battles fought over the last 40 years and it must be said lost, almost every one. The Black Book contains a record as complete as any likely to be written of the struggle to resist a Communist-inspired Left that was not defeated in the Cold War but took advantage of the Soviet defeat to enter the American mainstream and conquer it, until today its members occupy the White House.

The Black Book of the American Left The Collected

A book review of The Black Book of the American Left: The Collected Conservative Writings of David Horowitz by David Horowitz. The Black Book is a sad account of a man in misery. Horowitz's diatribe against the left is way beyond reason with no verification of his claims against individuals and organizations.
