This recipe is perfect for a quick and nutritious meal, for use in salads, wraps or sandwiches, or any other recipes that call for boneless skinless chicken breast. Preparing boneless skinless chicken breast on the stove top will require a good non-stick skillet or pan. Another helpful step is to tenderize the meat with a meat mallet. This is done by simply placing the chicken between two pieces of wax paper and pounding it to a nice even thickness. This helps for even cooking as well.
