Bottom of the 33rd Hope Redemption and Baseball's

Last night I finished Bottom of the 33rd. If you are a baseball fan, a Red Wings Fan, or from Rochester you will love this book. Dan Barry, makes baseball's longest game into a story and not just a record book statistic. The stories of the players including the unknowns and the future stars (Cal Ripken Jr., Wade Boggs, Bruce Hurst) and the struggles of young men trying to get called up and those that know they will never leave the minors, is what makes this such a great read.
