First Editions of Boy Scout Handbook Kick Off a Movement

The very first version of the Boy Scout Handbook was published rather hastily in 1910, the same year the BSA was officially incorporated. These were early days for the Scouting movement, with many rules, regulations, and standards still to be determined, so the National Council set out to create a temporary version of the handbook until the organization found its feet.

Boy Scout Handbook Wikipedia

Boy Scout Handbook is the official handbook of the Boy Scouts of America. It is a descendant of Baden-Powell's original handbook, Scouting for Boys, which has been the basis for Scout handbooks in many countries, with some variations to the text of the book depending on each country's codes and customs.
