Breaking Point Article 5 2 Share book recommendations

I wasn't a fan of the first book (Article 5), it was mediocre at best but being the kind hearted person that I am, I thought I'd give Breaking Point a chance. Sadly, my kindness didn't pay off. I had to suffer through cookie cutter characters, rubbish worldbuilding and an extremely lame plot. It was traumatic. Okay, it wasn't traumatic but it was boring.

And, I know after reading SHATTERED that I needed to read more books by Allison Brennan. So, I was very pleased to get the latest Lucy Kincaid book.
