

BREEDING MEAT GOATS

RELATED BOOK :

The Best Goat Breeds to Raise for Meat The Spruce

Show goats and meat goats are raised in completely different ways. And you don't need to buy registered stock. Most meat producers find it ideal to find a good, full-breed buck and breed him with mixed-breed nannies. Whatever market you find for your goat meat will determine what qualities you want in the kids.

Guide to Raising Meat Goats The Spruce

Raising meat goats can be a profitable small farm venture. Currently, in the United States, there is a higher demand for goat meat, also called chevon, than there is a supply. Many ethnic groups who live in the United States from Hispanic to Eastern European to Southeastern Asian rely on the lean, tasty meat as a protein staple.
