Bringing Yoga to Life The Everyday Practice of

Expanding upon the teachings of Patanjali's Yoga Sutras, the core text of the yoga tradition, Donna Farhi describes yoga's transforming power as a complete life practice, far beyond its common reduction to mere exercise routine or stress management. This is the philosophy of yoga as a path to a deeper awareness of self.

And the challenge exists, not outside our everyday life, but within it. What I love about it: Donna Farhi is a born writer and her way of putting words together means that this book is incredibly easy to read, exquisitely phrased and full of poetic gems that make you want to post it all over your instagram account.
