Putting history into a perspective, Irish History for Dummies is an engaging, entertaining and educational trip through time, packing in equal parts fun and facts, providing listeners with a riveting history of this ancient land. The history of Ireland has shaped the world far beyond its borders. And few stories have a greater need for a balanced and light-hearted telling than the complex and often controversial saga of Ireland and her people.

### **British History for Dummies by Sean Lang Goodreads**

Good 'rough guide' to British History with some of the important dates, monarchs etc needed in history at school and, maybe, in a general knowledge quiz. Would recommend for those who want some detail, but not going too in depth.
